Electrical Engineering Faculty Meeting

Wednesday, December 1, 2004, 8:00 a.m., C2002

The Electrical Engineering Faculty Meeting was attended by Dr. Myler, Dr. Bean, Dr. Maxum, and Dr. Sayil. Minutes were taken by Jane Stanley.

Dr. Myler: The department needs to change keys. Be very careful with tests, etc.

ABET will be coming the year after next. The report is due in fall of 2006. We must start this spring to prepare course portfolios. We also need Student Portfolios with program evaluations. We are doing one-year out and five-year out surveys and are thinking about doing them on-line or by email.

Linear Algebra is now 2318; we need it to be a 3 level to go on our degree plan and help make electrical engineering an automatic minor in Math.
